- The utility welcomes any additional comments on the proposed language.

Public Benefits Program/Energy Efficiency Programs

Residential:

- Residential Lighting Program-Customer receives up to 5 free CFL light bulbs annually. To date, 10 customers have registered online; 26 CFL bulbs disbursed.
- Appliance Rebate Program-Customer receives rebate of Energy Star rated dishwasher, refrigerator, room air-conditioner and clothes washer.
- Energy Audit Program-Customer receives free on-site energy audit service and solution for conserving energy.
- Energy Efficiency Educational Program: Energy Saving tips and educational brochures are available on Island Energy's website and in the office.

Commercial:

- Island Energy is working on creating commercial/industrial customer rebate programs to provide rebates for designated energy conservation measures.
- Island Energy is coordinating with the City of Vallejo on the submittal of the Energy Efficiency and Conservation Block Grant application for the replacement of streetlights with high efficiency LED light bulbs on Mare Island.
